Hymn Books

We are rather short of hymn books, and the ones we have are now out of print; so please share when necessary. If you have taken one home by accident it will help us to have it returned.

Foodbank

Our next foodbank collection will take place at all Sunday Masses on the last week-end of the month (Saturday 28th and Sunday 29th May). The priorities for this month are: tinned tomatoes, tinned fruit, tinned or pkt custard, UHT milk, and diluting juice. Ladies' deodorant, toothpaste, toothbrushes, and shampoo would be greatly appreciated. Thanks again for your generosity!

Mental Health Awareness Week: The theme this year is 'loneliness'.

The Jesuits in Britain Pray as you Go website, have devised seven mental health audio exercises designed to encourage, in God's presence, prayerful awareness of any feelings of unease or distress. These short exercises last no more than eight minutes. They address addiction, aging, anxiety, depression, grief, insomnia and loneliness. It is hoped that they will be helpful for anyone using these sessions who might be struggling at the moment.

Jesuit Missions Laudato Si Week: Listening and Journeying Together

22nd-29th May 2022

Recently you will have received Jesuit Missions email about writing to your MP to urge the government to follow through on promises made at COP26.

22-29th May is Laudato Si Week, and the seventh anniversary of Pope Francis' Encyclical Laudato Si. This year's theme is listening and journeying together. Here at Jesuit Missions we are working on behalf of those who are already impacted by climate change. We know from your response at the time of COP26 that you want to be part of this change. To celebrate all that is happening to care for our common home we are inviting our supporters to put themselves on the map.

We are creating an interactive map to share what is happening in schools, parishes, university chaplaincies and Jesuit works and communities around the UK. The ask is simple!

One action Please provide us with one action that you are doing to care for our common home. We know that there are amazing things happening, ranging from urban gardens to arboretums. Let us know what is happening where you are! **One quote:** One short quote of no more than 300 characters telling us how your community is responding to the challenge of fighting climate change and listening to the cry of the earth and the cry of the poor. **One photo:** One high resolution photo showing us some of the work that is happening where you are.

Send these to Colm Fahy, Advocacy and Campaigns Officer, at: colm@jesuitmissions.org.uk to help create our map and to share ALL of the fantastic work that you are doing. To read more please see: [Laudato Si' Week 2022 - Jesuit Missions](#)
