Peregrinatio Pro Christi (Travelling for Christ): Every year some members of the Legion of Mary volunteer to take part in a Peregrinatio Pro Christi project (PPC) to another country. Scotland was given the responsibility of helping with evangelisation in Finland. So, for over 40 years teams of legionaries from Scotland have been spending part of their summer holidays at their own expense going out to share the Gospel in various parts of Finland. Last year there was a successful project to Oulu in Northwestern Finland. This year on Monday 14th of July, a team will travel to Helsinki in Finland sharing their faith with all those they meet. It can often be very difficult work and is supported by the many prayers being said by those at home. We would like to invite you to pray for this project which concludes on Thursday 24th July.

10:00am – 4:00pm (Tea/coffee from 9:30am) Kirk at the Cross, Motherwell (formerly Dalziel St. Andrew's) Free to attend – booking via <https://aiinministry.eventbrite.com>

This one-day event is open to anyone involved in Christian ministry — ministers, pastors, priests, OLMs, deacons, chaplains, youth workers, and others — across all denominations. It's designed to be hands-on and highly practical, exploring how AI tools can support ministry in areas such as: Worship preparation and sermon writing, Publicity and social media, Video, image and music creation, Administration and planning, AI modelling for ministry use. The day will begin with a short reflection by Neil MacLennan (Sanctus Media) on "AI and Ministry: Issues to Think About," followed by collaborative, peer-led workshops. Participants are encouraged to bring a laptop and come ready to share ideas, tools, and experiences. The sessions and explorations will be a 'show and tell' feel with everyone learning from each other's experiences. The event is most suited to those who already have some IT literacy and ability as it will not be a basic introduction to technology. Those with limited IT skills may not get the most from the day, although everyone is welcome if they think they can learn and share together on the topic. Lunch is not provided, and people are invited to either bring their own or buy locally. Tea and coffee will be available throughout the day.
