"Fear not, I am the first and the last, and the living one; I died, and behold I am alive for evermore". We hear these comforting words in the Second Reading taken from the book of Revelation. They invite us to turn our gaze to Christ, to experience his reassuring presence. To each person, whatever his condition, even if it were the most complicated and dramatic, the Risen One repeats: "Fear not!", I died on the Cross but now "I am alive for evermore"; "I am the first and the last, and the living one".

(Blessed Pope John Paul II)

## **A Letter from Jesuit Missions**

Dear Friends,

I hope that this finds you well.

I wanted to contact you in connection with follow-up to COP26 and the upcoming Queen's Speech.

In November last year the world came to Glasgow to discuss the most pressing issue of our time, climate change. A number of important promises were made and targets set to tackle the climate crisis. However, action has been slow. Britain continues to hold the COP presidency until November of this year. Yet events both at home and abroad have meant that this vital issue has slipped down the priority list.

It is paramount that the opportunity presented by Britain's presidency is not squandered and that the promises made in Glasgow are kept. We are asking your help to focus on the delivery of £100 billion in climate finance by the end of 2023

We would like to invite everyone to write to their MP about this issue. This only takes a few minutes, but it will help to remind the government of the urgency of this issue. A proforma letter and information about how to contact your MP can be found on the Jesuit Missions website. See: <a href="https://jesuitmissions.org.uk/queens-speech-write-to-your-mp/">https://jesuitmissions.org.uk/queens-speech-write-to-your-mp/</a>

Thank you from Jesuit Missions.
