### Special Collection this Weekend for SCIAF – Emergency Ukraine Appeal

As conflict continues to escalate in Ukraine, millions of children and their families are in danger. Homes, schools, water supplies and hospitals have been damaged or destroyed. Children have been separated from their families and hundreds of thousands of people have been left without safe water, electricity or water. Explosives including landmines are a daily threat to children's lives. More than 1 million people have now fled Ukraine, with the number expected to climb to 5 million. SCIAF are working round the clock to keep families safe. £46 could help provide a family with an emergency water and hygiene kit. Please donate to help protect children in Ukraine.
