

The Jesuits have been in Glasgow since 1859, serving the Church and the people. We are committed to continuing that service through our Jesuit parish and school, the Ignatian Spirituality Centre by working together for the greater glory of God.

Our Priorities and Activities as Jesuit Apostolates are:

1. Give Spiritual Exercises, retreats, spiritual direction and discernment, and training - at the Ignatian Spirituality Centre and the parish.
2. Serve those on the margins as a concrete expression of our faith - at the St Aloysius' Refugee Language School.
3. To seek the greater glory of God in our sacramental ministry of liturgy, preaching, and confessions - at St Aloysius' Parish.
4. Provide support, accompaniment and formation for young people - at St Aloysius' College, the young adults' group and St Aloysius' Parish.
5. Providing courses, talks and formation for adults on matters of Catholic and Christian faith and life - at the Ignatian Spirituality Centre and St Aloysius' Parish.
